

# Child and toddler kit

A cot and highchair are available free of additional charge to all babies staying at the Petite Maison. We ask you to bring cot sheets and any other items you might require.

Over the years we have found that families flying or travelling with large amounts of luggage would have liked to have been able to hire equipment. We have, therefore, introduced a child and toddler kit that comprises:

- Cot
- Highchair
- Pram/pushchair
- Child walker
- Baby bath & toilet equipment
- Changing mat
- Cot sheets, bumper, blanket, sleep-suit, & towel

The fixed stair gate at the top, can be supplemented by a gate at the bottom of the stairs.

We examine and clean all the equipment; but ultimately it is used at the hirers risk. Breakages and loss are the responsibility of the user and may be subject to a deduction from the deposit.

The cost for hiring is €20 for the period of the stay.
