

## Golf de Beaune

The course is easily found to the east of Beaune on the road to Verdun-sur-le-doubs.

During the week no prior booking is necessary.

The golf club has a practice range, par 3 nine-hole course, and an 18-hole main course which is set out on a flat terrain with trees and lakes. From the tee it looks open, but a few sand traps and water hazards lie in wait. The greens are beautiful and run straight and true.

The clubhouse has a nice bar and restaurant with a terrace looking over the course. It also has a well-appointed shop if you want to make any golf purchases.

Ian (Falkirk)

A score card and course layout is available in the petite maison information folder.
